

A Slow Dance

Gyroscope

just give me one dance, one dance with you, ohhhhh
just a slow dance so im nearing you, ohhhhh
take my hand, then let go just let go
take my hand and lets go so lets go
did i hear you scream through the windscreen when you dropped m
e off

CHORUS

we've said it before and we'll say it again this time this time
it's much different, stop fixing the score, when you cheat i c
an tell
this time, this time, this time it's much different

from top stands i will get to you, ohhhhh
with my guitar in hand i'll play as if i knew, ohhhhh
i understand now let go just let go
take my hand and lets go so lets go

did i hear you scream through the windscreen when you dropped m
e off
did i steal your dream if i made a scene, would you top me off

CHORUS

give me one dance, take my hand
just a slow dance
just a slow dance, take my hand
just a slow dance

We've said it before, we wont say it again
this time, this time it's much different
When you cheat i can tell, when you cheat i can tell
this time, this time, this time, next time

when you cheat i can tell, when you cheat i can tell
oh when you cheat i can tell, when you cheat i can tell
