You no longer have to stand in front of me to feel my presence,
 to reach out and touch me,
to offer not only words of support but a comforting hand.
Live my experiences from one thousand miles away.
Feel sand pour out of your hands on the beach in Hawai'i from a
 subway station in New York.
Share my pain, my joy, my triumphs, and failures.
You don't have to be there to be here.
The Seven Senses advanced cellular phone network will connect y
