

Do What You Wanna Do

H-Blockx

I-I know it's time to realize,
I-I know the love you felt for me has died,
I-I try to cope with the pain inside
but I just realize that I cannot hide the feelings that I have
inside...

Can you hear me?

I-I know it's hard to understand,
but girl you gotta know,
you made me be a different man,
I-I don't want you to feel no guilt inside,
I just want to stay friend but I feel the fear girl that I neve
r can

Chorus:

You gotta do what you wanna do, [hear me]
still remember what I feel for you, [hear me]
you gotta do what you wanna do, [hear me]
still remember that I care for you, [hear me]
I don't want to see our friendship die,
I know we need to seperate ways,
but I don't know why
I hope someday we both will see,
that girl our friendship was created for eternity
