I feel so extraordinary Something's got a hold on me I get this feeling I'm in motion A sudden sense of liberty I don't care 'cause I'm not there And I don't care if I'm here tomorrow Again and again I've taken too much Of the things that cost you too much

CHORUS: I used to think that the day would never come I'd see delight in the shade of the morning sun My morning sun is the drug that brings me near To the childhood I lost, replaced by fear I used to think that the day would never come That my life would depend on the morning sun... When I was a very small boy, Very small boys talked to me Now that we've grown up together They're afraid of what they see That's the price that we all pay Our valued destiny comes to nothing I can't tell you where we're going I guess there was just no way of knowing

CHORUS: I used to think that the day would never come I'd see delight in the shade of the morning sun My morning sun is the drug that brings me near To the childhood I lost, replaced by fear I used to think that the day would never come That my life would depend on the morning sun... I feel so extraordinary Something's got a hold on me I get this feeling I'm in motion A sudden sense of liberty The chances are we've gone too far You took my time and you took my money Now I fear you've left me standing In a world that's so demanding

CHORUS: I used to think that the day would never come I'd see delight in the shade of the morning sun My morning sun is the drug that brings me near To the childhood I lost, replaced by fear I used to think that the day would never come That my life would depend on the morning sun...
