

# All Out Of Love

H & Claire

I don't wanna hurt any more  
I don't wanna hurt like I did before  
You only made me cry  
Tried to change my mind

I don't wanna feel insecure  
And I don't wanna feel like I can't be cured  
Though you don't want me to  
I'll get over you

I can't keep comin' back for one last try  
Let history repeat itself this time  
I've been takin' all the blame but  
I'll never make the same mistake again

Won't be that fool runnin' back to you  
I won't fall apart like I used to do  
Enough is enough  
You've hurt me too much

Won't be that fool who keeps holdin' on  
I can't stay here when the feeling's gone  
Enough is enough  
You've hurt me too much  
I'm all out of love

I know we've been through this before  
I know we've been through every open door  
Tryin' to find a way  
Back to yesterday

Now you've got to follow your heart  
And though it will lead us so far apart  
Some things you've got to do  
When love's hurtin' you

I can't keep comin' back for one last try  
Let history repeat itself this time  
I've been takin' all the blame but  
I'll never make the same mistake again

Won't be that fool runnin' back to you  
I won't fall apart like I used to do  
Enough is enough  
You've hurt me too much

Won't be that fool who keeps holding on  
I can't stay here when the feeling's gone  
Enough is enough  
You've hurt me too much  
I'm all out of love

Won't be that fool runnin' back to you  
I won't fall apart like I used to do  
Enough is enough  
You've hurt me too much

Won't be that fool runnin' back to you  
I won't fall apart like I used to do  
Enough is enough  
You've hurt me too much

Won't be that fool who keeps holdin' on  
I can't stay here when the feeling's gone  
Enough is enough  
You've hurt me too much  
I'm all out of love
