

# The Only One

(həd) p.e.

Everybody at the party's so lonely  
In a room full of strangers  
Everybody knows me  
And everybody's so plastic  
Fools tryin' to fit in  
Rejection is tragic

And when you're all alone  
It seems like nothing is real  
Everybody wants control  
Nobody knows how I should feel

CHORUS

I'm slipping away  
I feel like giving up  
And I'm not the only one  
I feel like such a creep  
Where do I fit in  
I'm not the only one  
No, I am not like you  
I'm not the only one

So many things that I've done I regret  
So much drama in my life  
That I wish I could forget  
But my tattooed skin won't let me  
Feels like my so-called friends  
They're all out to get me  
And when you're all alone...

CHORUS

(Nobody knows how I should feel)

I CAN'T TAKE IT  
(I am slipping away)...

It feels like nothing is real  
Nobody knows how I should feel

CHORUS

I'm not the only one...
