

Nobody Loves You (Like I Do)

H.E.A.T

Nobody loves you like i do
Nobody loves you like i do

I know you've got what i want
I think i've got what it takes
to be with a woman like you

I'm talking straight from the heart
I felt it right from the start
and i know that you wanted me too

(Oh woman)

You cant see what i'm trying to do
let me you open your eyes for the first time

Nobody loves you like i do
(nobody loves you the way that i love you)
Nobody loves you like i do
(i'll give it all girl i cant live without you)

I'll give you all that i got
come on i'm down on my knees
I need to be with a woman like you
so stop fooling' around i'm tired of standing in line
let's make it more than just a fantasy
