

## Running to You

H.E.A.T

It's been a long time coming now  
But I don't know what I want to know  
Turn it up then you turn me down  
But I don't know what I'm asking for

I'm addicted to you since day one  
And I must confess that I'm on the run

'Cause I'm running I'm running I'm running to you  
If I catch you I don't know what  
I'm gonna do  
'Cause I'm falling I'm falling  
I'm falling for you  
If I crash then I'll burn running after you

Break I won't break believe  
In what I have to say  
So just stay no don't run away  
'Cause I know that you feel the same

I'm addicted to you since day one  
It's no secret that I'm on the run

'Cause I'm running I'm running I'm running to you  
If I catch you I don't know what  
I'm gonna do  
'Cause I'm falling I'm falling  
I'm falling for you  
If I crash then I'll burn running after you

And I'm on the run Too close?  
How far will I run?

'Cause I'm running I'm running I'm running to you  
If I catch you I don't know what  
I'm gonna do  
'Cause I'm falling I'm falling  
I'm falling for you  
If I crash then I'll burn running after you

I'm gonna run to you
