

## Straight For Your Heart

H.E.A.T

I believe in everything that's true  
I believe in things that we used to do

Times and times they are changing  
you said we never drift apart no  
Somehow we give in/it up  
cuz we know where we belong

Straight for your heart, you know I'm a true believer baby  
Straight for your heart, cuz that's where I belong

(Could you believe in love)

Do you remember how we used to say  
don't mind the problems we get by them anyway  
we we are like planets we are bound in collision course  
It unite in a? selfless? one cuz we know that we belong.
