

The One and Only

H.E.A.T

Hey! Something I got to tell you
It's hard to say but I need you to know
It's time to write a new kind of story
I try to explain the reason why I have to go

'Cause there's a time for love
A time for change
A time to mend
But I can't pretend 'cause
I wanna be the one and only

I guess we all need time
I guess we all need space
I guess I'm needing mine
The one and only one
I guess we live to find a way
to draw the line
Or the life will leave behind

'Cause I, I wanna be (I wanna be)
Yeah I, I'm gonna be the one and only

Hey! A somewhere in the distance
I know you might find someone, somewhere to go
And I don't know 'cause my head keeps spinning
Reaching for a new beginning
Finally it's plain to see

And there's a time for love
A time for change
A time to mend
But I can't pretend 'cause
I wanna be the one and only

I guess we all need time
I guess we all need space
I guess I'm needing mine
The one and only one
I guess we live to find a way
to draw the line
Or the life will leave behind

'Cause I, I wanna be (I wanna be)
Yeah I, I'm gonna be the one and only

(Guitar solo)

I guess we all need time
I guess we all need space
I guess I'm needing mine
The one and only one
I guess we live to find a way
to draw the line
Or the life will leave behind

'Cause I, I wanna be (I wanna be)
Yeah I, I'm gonna be the one and only

Tell me yeah!
The one and only yeah!
Let me know I just feel the pain, ohhhh
The one and only one
