

## Under the Gun

H.E.A.T

They're coming to get you - they're coming to get you  
They want to hear when you're screaming my name  
With every heartbeat, whenever you breathe in  
You better believe that they're one step behind

Wait no - wait no more  
Break your ties and run out the door  
Live fast on the run  
When you're under the gun  
Under the gun  
Under the gun

They're going to find you - they're going to hurt you  
You better be careful out in the streets  
Look at the traces - you're not going crazy  
You better believe that they're one step behind

Wait no - wait no more  
Break your ties and run out the door  
Live fast on the run  
When you're under the gun

Under the gun  
Under the gun  
Under the gun  
Under the gun

Wait no - wait no more  
Break your ties and run out the door  
Live fast on the run  
When you're under the gun

Under the gun  
Under the gun  
They're coming to get me  
Under the gun  
You better believe that you're  
Under the gun  
And there's nowhere to hide  
Under the gun
