

# Wings of an Aeroplane

H.E.A.T

For years of action  
The years of rock 'n' roll  
In every place, every town, every sacred ground  
I found my passion

Some days are harder but I am not giving in  
I'll give it all 'cause I am in it to win

Every place, every town  
I will come back around  
I just can't get you out of my mind

Just like the wings of an aeroplane  
Just like a wind to carry me all of the way  
Caught in the rage of a hurricane  
We won't be swept away  
Fly away

I got no patience, no time for sitting around  
You got your problems but I can't see how they're mine  
Every twist, every turn will you never learn  
I'm out of patience

I'm moving mountains, yeah I spend every dime  
You call me guilty, guess my passion is the crime

Every place, every town  
I will come back around  
I just can't get you out of my mind

Just like the wings of an aeroplane  
Just like a wind to carry me all of the way  
Caught in the rage of a hurricane  
We won't be swept away  
Fly away  
Fly away

Soaring

Just like the wings of an aeroplane  
Caught in the rage of a hurricane

Just like the wings of an aeroplane  
Just like a wind to carry me all of the way  
Caught in the rage of a hurricane  
We won't be swept away  
Fly away
