

Cold winters, late dinners, and black Sprinters
 After-show afterparty, orange juice and Bacardi
 I'm old enough, I made enough to move to Abu Dhabi
 And who could stop me? (Yeah)
 Old friends, they comment, but where you been?
 One fish, two fish, you're all switched
 Past tense back when I wasn't relevant it's evident (It's evident)

Everybody not made for this life (No, no)
 I wouldn't trade it for the world
 I'm 21 now, oh I'm 21 (Yeah)
 Everybody wanna be my guy (Yeah)
 And my girl too
 I wouldn't trade it for the world
 I'm 21 now, I'm 21 (Yeah)

8 a.m. meditate, I'm runnin' late
 I'm out the gate, I'm on the way, tell 'em to wait
 'Cause it's meetings here, it's people there, they everywhere
 They want me to share, no way
 Now that we number one, I gotta run, the deal is done
 I don't need no sleep, I've been at it over a week
 Can't work as hard as me but wanna eat
 Can't cheat the grind

No, everybody not made for this life (No)
 I wouldn't trade it for the world
 I'm 21 now (I'm 21), oh I'm 21 (Screamin' I'm 21)
 Everybody wanna be my guy
 And my girl too
 I wouldn't trade it for the world
 I'm 21 now (Yeah), oh I'm 21

That hype shit won't get you nowhere
 That type shit won't get you nowhere
 Stop tellin' people that we've been
 Tight, I ain't seen you nowhere
 The hype shit won't get you nowhere
 And I love when they be thirstin'
 I ain't text you back 'cause I was workin'
 I'll be so low-key they want me, they want me, they want me

Everybody not made for this life (No)
 I wouldn't trade it for the world
 I'm 21 now, oh I'm 21 (Yeah, yeah)
 Everybody wanna be my guy
 And my girl too, yeah
 I wouldn't trade it for the world
 I'm 21 now, screamin' I'm 21
 21 yeah, yeah, yeah, yeah
 I'm made for this
 Wouldn't trade it for the world
 21 now
 Everybody wanna be my guy
 And my girl too, shit
 I wouldn't trade it for the world
 21 now, 21
