

Comfortable

H.E.R.

[Verse 1: H.E.R.]

Set the tone, when it's just me
And you alone, never lonely
In the room, breathin' slowly
Oh, you know me, yeah
Meditate, you can take me
To a place where we can be
All alone, I'll let you hold me
'Cause you know me, me, yeah

[Pre-Chorus: H.E.R.]

Lay your head on my pillow, say, "Ooh-ooh" (No)
Touches makin' me feel a way, ooh-ooh
Whenever I get around you, I lose it
Lose it

[Chorus: H.E.R.]

'Cause I feel so comfortable with you
You make me comfortable with you
I feel so comfortable with you
You make me comfortable with you
You make me

[Verse 2: H.E.R. & Ant Clemons]

Wanna get (Wanna get), wanna go deep (Go)
Intimate (Intimate), let you in me
Inside (Inside), you're deserving
Of my mind, my mind, yeah, yeah

[Pre-Chorus: H.E.R. & Ant Clemons]

Lay your head on my pillow, say, "Ooh-ooh" (Touchin')
Way you're touchin', know it's okay with, ooh-ooh
When I get around you, I lose it
Lose it

[Chorus: H.E.R. & Ant Clemons]

'Cause I feel so comfortable with you
You make me comfortable with you
I feel so comfortable with you
You make me comfortable with you
You make me

[Bridge: H.E.R.]

Baby
Lay your head on my pillow, say, "Ooh-ooh"
Way you're touchin' my body, say, "Ooh-ooh"
I ain't lovin' nobody but you
You, you (You make me)

[Chorus: H.E.R.]

'Cause I feel so comfortable with you
You make me comfortable with you
I feel so comfortable with you
You make me comfortable with you
You make me

[Outro: H.E.R.]

You make me, baby
You make me

You make me
You make me, yeah, yeah
You make me
You make me
You make me
