Exhausted

H.E.R.

Yeah, yeah, yeah
Say, yeah
Oh
(Darkchild)
Yeah

If I give you this shot, you better take it
I'm way, way, way, way past bein' jaded
And all of y'all just way too opinionated
I'm just sayin', when do I get a say?
And tell me why, why's this okay?
You supposed to be playin' on my team
Oh, who's gonna be responsible for me
When I ain't? Yeah

You be on all of that nonsense
It's always surprises, it's always a process
I'm way too used to it, it's way too often
It's so exhausting, I'm so exhausted
Oh, yeah
You be on all of that nonsense
How I'm still surprised when it's always a process?
I'm way too used to it, happens too often
It's so exhausting, I'm so exhausted
Yeah, yeah

Yeah, yeah
Yeah, yeah, yeah
I'm so exhausted
Yeah, yeah
I'm so exhausted
Yeah
I'm so exhausted

If I give you this chance, you better save it (You better save it)
How I can't get no appreciation (I can't get no)
After all of this shit I've been taking? Oh
When do I get a break? (Break)
Ooh, I need a new bae, need a vacation
I need to stop givin' my heart and lettin' 'em break it (Oh)
Waitin' for it to get better, I've been impatient
Yeah, I been chasin', oh

You be on all of that nonsense
It's always surprises, it's always a process
I'm way too used to it, it's way too often
It's so exhausting, I'm so exhausted
Oh, yeah
You be on all of that nonsense (You be on all of that nonsense)
How I'm still surprised when it's always a process?
I'm way too used to it, happens too often
It's so exhausting (Oh), I'm so exhausted
Oh

Yeah (Yeah), yeah (Yeah)
Yeah, yeah, yeah (Exhausted)
Yeah (Oh, yeah), yeah (Yeah)

I'm so exhausted
