

## Facts

H.E.R.

Come mess with a real one  
If you're one in a million  
Don't let a lot of people in  
But you get admission  
And I don't let my walls down  
But I see us building  
And you ain't a feeling  
'Cause that's how I'm feeling

You make me wanna put my phone down  
When we're alone, I wanna zone out  
Baby, with you, I ain't got no doubts  
I'm just trying to let you know now

Facts  
You were the one I was missing  
The opposite of fiction  
And that's facts  
Ooh, it's a given  
I don't care 'bout opinions  
And that's facts, facts  
And that's facts  
You were the one I was missing

Just the beginning  
It don't get no better  
As long as you hold me down  
I'll be up for whatever  
And I love the way you look at me  
'Cause I see forever  
Was ready before  
But I want you now more than ever

You make me wanna put my phone down  
When we're alone, I wanna zone out  
Baby, with you, I ain't got no doubts  
I'm just trying to let you know now
