

# Hard To Love

H.E.R.

I've been so far from here  
Been so far from here  
I just hate feelin' like this  
I don't play that shit  
Where you been? Where you been?  
Oh, I'm sorry if I turn you off and on again

But take it easy on me, baby  
I know that I crossed a line  
I'm hard to please, but baby  
Real love is so hard sometimes  
Yeah, I'm sensitive  
I'm sensin' that you're bothered  
I can feel the energy shift in your apartment

Hard to love  
It's hard to love, it's hard to love  
It's hard to trust you  
Hard to change  
It's hard to change  
I can't expect you to fix all my issues

I can't be carryin' on like this  
All the heaviness is weighin' on you, baby  
Oh, don't take it personal  
I keep on playin' a game, yeah  
It's so irrational  
Can't do what happened to me to you

So take it easy on me, baby  
I know that I crossed that line  
I'm hard to please, but baby  
Real love is so hard to find  
And I'm sensitive  
I know that you're not the same person  
It's not your fault that you remind me that I'm still hurtin'

Hard to love  
It's hard to love, it's hard to love  
It's hard to trust you  
Hard to change  
It's hard to change  
I can't expect you to fix all my issues

Oh  
Oh, oh, oh  
Oh, oh, oh  
Fix all my issues  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh

It's hard to love  
It's hard to love, it's hard to love  
It's hard to trust you  
It's hard to change  
It's hard to change

I can't expect you to fix all my issues
