

Lights On

H.E.R.

It's dark outside
I'm feeling right with you, oh, you
Don't turn off the lights
Can we try something new, oh, new?

Ain't see this side of me
Fluent in the sheets
Can you read in between me?
I ain't a stranger to the foreplay
So we can skip the wordplay, yeah

Leave the lights on
Leave the, leave the lights on
Leave 'em lights on
Leave 'em, leave 'em lights on, on
Do it side on
Switch and let me ride on
Got all night long
Leave 'em, leave 'em lights on, on, on, on

Won't close my eyes
Show me what you can do (you can do), do (yeah)
I know your vibe
D'Angelo and penthouse views, yeah, views

Ain't seen this side of me
Fluent in the sheets
Can you read in between me?
I ain't a stranger to the foreplay
So we can skip to wordplay, yeah

Leave the lights on
Leave the, leave the lights on
Leave them lights on
Leave 'em, leave 'em lights on, on
Do it, side on
Switch and let me ride on
Got all night long
Leave them lights on
Leave 'em, leave 'em lights on, on, on, on

Leave the lights on
Leave the lights on
Leave the lights on, yeah
Switch your side on, side on
Oh yeahhh
