

My Own

H.E.R.

Said I been away too long
Every time I hear that song
I don't wanna hear it no more
Baby I can't take no more from you
I don't wanna play no more
Don't be going back and forth on me
I be already on call
Even when I know it's wrong for me

Something
Don't know but it's something
I don't wanna work for something knowing it ain't worth it, no
Coming
You knew it was coming
You should know that I don't act like that without a purpose, no

Call me crazy baby, you just bring outta me
I'm tryna do better, but you ain't been helping me
Baby I can't help it, you know how to get to me
I, I...

I been tryna hold my own
My own, my own
Oh baby on my own
My own, my own
Ooh...

Don't mind me, cuz it ain't bout you
We both need space, and that's all so true
Know it's okay, if you can't come through
I'm saving your place, and it's all for you

We been waiting too long
I be tryna keep calm
Either way we both wrong
I been waiting on a call
Ooh I really wanna call you
I been tryna be strong
You're the only I wanna talk to

Ah yeah, you just know me better
And it just gets better
Just let me undress ya
On you, on you...
I just love to feel it
When you go inside it
And I get excited
Ooh...
You...
You...

Baby, you keep showing out
But I just can't slow it down
Cuz I just want you right now
With me now
Don't you keep on holding out
Giving me the run around

Are you just noticing now

I'm on my own

My own, my own

Ooh baby, on my own

My own, my own

I been tryna hold my own

My own, my own

I'm just tryna hold my own

My own, my own

Yeah...
