

# Wrong Places

H.E.R.

Looking for love in all the wrong places  
Looking for us in all the wrong faces  
I'm always looking for lust when I'm wine-drunk and faded  
Looking for love, I think we should make it

'Cause I've been feeling lonely  
Hold me, tell me that you think I'm pretty  
Show me how to love and then  
Show me how to love again

I was once told I'm too young to settle  
But age ain't a thing, I'm just too sentimental  
Looking for someone to write all the words to my instrumental  
And if I give you my heart, promise you'll be gentle

'Cause I've been feeling lonely  
Hold me, tell me that you think I'm pretty  
Show me how to love and then  
Show me how to love again

'Cause I've been feeling lonely, lonely  
Tell me that you think I'm pretty  
Show me how to love and then  
Show me how to love again

Love, love, love, love  
Love, love, love, love  
Love, love, yeah  
Love, love, love, love  
Love, love, love, love again  
Oh love again
