

In 2 U

H-Town

I ain't tryna be your brother, ain't tryna be your friend
Just wanna be your lover, girl I wanna get into you
Girl I wanna get into you, girl I wanna get in

Get me out of that friend zone, I wanna get in your end zone
Touch down and score and win
No second place, I wanna win, oh yeah
Ask me for advice, lead a horse to water, I can make a nigga do right
Do you right (do you right) by your side (by your side)
I'ma ride or die

You can run but you can't hide
From a real man like me
That's meant to be in your life, life
Take stress away from your life
Give me a chance and give a try, yeah

I ain't tryna be your brother, ain't tryna be your friend
Just wanna be your lover, girl I wanna get into you
Girl I wanna get into you, girl I wanna get in
I ain't tryna be your brother, ain't tryna be your friend
Just wanna be your lover, girl I wanna get into you
Girl I wanna get into you, girl I wanna get in

I'm your sunshine to your rain
That's what it takes to make your flowers grow
Girl, you been through a lot
Just to get to me, yeah, I won't break no more
Just tell me whether you're under my umbrella
If you walk with me, I promise I will protect ya
From harm, let me be your bodyguard to love
Girl, our two favorite movie
Love and basketball, even brown sugar
Give me one chance, baby just would ya?
Started out as friends, turn it into lovers in the end
Baby, that could be us

They don't know what we been through
They on the outside looking in
But they can't see through
They don't know what we been through
They on the outside looking in
But they can't see through, oh-oh-oh-oh

I ain't tryna be your brother, ain't tryna be your friend
Just wanna be your lover, girl I wanna get into you
Girl I wanna get into you, girl I wanna get in
I ain't tryna be your brother, ain't tryna be your friend
Just wanna be your lover, girl I wanna get into you
Girl I wanna get into you, girl I wanna get in
