

Keepin' My Composure

H-Town

Oh my little baby I'm so tired of these lies and I'm ready my l
ittle sugar to give you all my time if you let me do so darlin'
I will pave our way you will see a bright new joy on a brand n
ew day

a little cold hard pressure we'll make a better way girl I'll m
ake you so very happy take you to extacy I'll give you all my m
oney, time and everythang girl I'll make sure your satisfied be
here by your sid cause I love my baby yeah

I'm so happy with a smile that we got together and we made it t
hrough babe through the stormy weather I know we can do it no m
attter what they say baby cause I knew me and you really wanna
do repeat Hook
