All the girls tryin' to move and rock it
Talkin' bout the body, haha
Tryin' to move it right
Cause when you movin' right
You workin' out through the night
So, just hold tight, roman
That's what we gonna move and rock it steady on this one, yeah
Loverboy Shazam
Come down!

Won't you step into my room
And let me show you the way
I wanna make you feel so high
I promise you'll be satisfied, oh yeah
There's no limit to our love
And baby, anything goes
Now you know what's going on
So, let's go with the flow

Step into my room (into my room)
Let me show you what I wanna do
I wanna rock (and roll) rock it steady (rock your body steady)

Aiming at your body, yeah
Close the door, come inside
Let me lay your body down tonight
