

I'm staying away from your negative space  
You're only bringing me down  
Whenever you come around  
I see the look on your face, you're in a world of hate  
Don't wanna be the one you take it out on

Anger is a wall around you  
No one's getting through  
Friendship's falling down around you  
What are you gonna do?

I'm trying to give something positive  
You wouldn't understand  
'Cause it's an open hand  
Not a closed fist, are you getting the jist  
Or are you just getting pissed

Anger is a wall around you  
No one's getting through  
Friendship's falling down around you  
What are you gonna do?  
What are you gonna do?

I'm not willing to waste my time  
Believing that you're gonna do what's right  
And I won't be there to catch your fall

Only to find I don't know you at all

I'm staying away from your negative space  
You're only bringing me down  
Whenever you come around  
I see the look on your face, you're in a world of hate  
Don't wanna be the one you take it out on
