

I Got It

HA-ASH

It's pretty clear that I've caught your eyes
Tell me exactly what you're tryna hide
If you've got something to say, then say it
And bring your game, baby, I wanna play it

Ooh, it's been a while since you said goodbye
She's moving on, time to dry your eyes
They call it ex-girlfriend for a reason
I think it's time for a change of season

If you want love, I got it
You want soft red lips, I got it
You want five-inch heels and a tiny black dress
Or a take me home to mama in my Sunday's best

You want soul, I got it
You want rock 'n roll, I got it
All you'll ever need, yeah, I got it

You're pretty cute and you're kinda sweet
But tell your heart, it's time to skip a beat
Too much talk, too little action
A girl like me needs satisfaction

Ooh, so what you say, we pay our tab?
Call it a night and catch a cab
Oh, let's just get you kissing
I'll show you just what you've been missing

If you want love, I got it
You want soft red lips, I got it
You want five-inch heels and a tiny black dress
Or a take me home to mama in my Sunday's best

You want soul, I got it
You want rock 'n roll, I got it
All you'll ever need, yeah, I got it

Yeah
Ooh-oo, ooh-oo
Yeah

If you want love, I got it
You want soft red lips, I got it
You want five-inch heels and a tiny black dress
Or a take me home to mama in my Sunday's best

You want soul, I got it
You want rock 'n roll, I got it
'Cause all you'll ever need
All you'll ever need
All you'll ever need
Oh yeah
I got it
I-I-I got it
Oh, I got it
I-I-I got it

Yeah

I-I-I got it

I got it, I got it, I got it

I got it
