

March Of The Worms

Hackneyed

Near
To close to flee
To choked to be
Protecting from their crushing machinery
Machinery

march of the worms,
slowly their perforate me...
March of the worms
slowly they perforate my corpse

eating you
eating me

Until theirs nothing left to...
If maggots nibble on my face
I'll maybe recognize the march of the worms
March of the worms...

march of the worms,
slowly their perforate me...
March of the worms
slowly they perforate my corpse

eating you
eating me

Until theirs nothing left to...
If maggots rampage in my ears
i will eventual hear the march of the worms
March of the... of the worms.

If maggots nibble on my face
If maggots rampage in my ears
i will eventual hear the
I'll maybe recognize the march... worms
