

New Age

Hactivist

We're the new age step it up
Said the future, wake up
We're the new age step it up
We will never change, better make way for us
... taking off

We're the new age step it up, said the future wake up

We're the new age step it up
Said the future, wake up
We're the new age step it up
We will never change, better make way for us
... taking off

We're the new age step it up, said the future wake up
