So we got thrown in at the deep end Didn't test the water Made a splash in the scene with a sound that they ain't ever he There will be many now but there was none before us We're gonna remain flawless Thanks for all the support It's been awesome Coming from The Craufurd Going on tour with Korn round Europe Coz we live how we sound Outside the box, cross borders Causing storms in forums Fuck a genre coz that's not important We're on the frontline We are not trolls on keyboards exporting nonsense Or a sandwich short in a lunchbox We are the full mont Turn the sound up another notch We just tell it how it is They applaud us, yeah they applaud us

Sat in my room and my head starts spinning Painting a story, creating an image Translating these thoughts to lyrics We are full of substance, no need for gimmicks We've achieved so much But it's just like we're warming up Some said we'd never make it Ha! You really think H ever gave a fuck? And through this we gained our respect Connecting with fans, deep thoughts, sick shows, lyrical intell ect. And we are here right now There's no coming up next So tighten your belt This time you're coming for a ride As these five minds collide
