

## Bit of Angel

Haddaway

Life with an angel  
Would be hard to accept  
I wanna live out my fantasy  
One day of a week  
Now god wouldn't help me  
So I'm turning to you  
I see you brought green eyes  
And the feeling that's new  
You're calling my name time after time after

My love just a bit of angel  
My love just a bit of heaven and hell  
My love just a bit of everything  
I'm going down, yeah  
To get my heaven today

My temperature's rising  
And my blood starts to flow  
Could this really be ecstasy  
I'll have to wait for the show  
Not just an angel  
And she knows what to do  
I see you brought green eyes  
And the feeling that's true  
You're calling my name time after time after

My love just a bit of angel  
My love just a bit of heaven and hell  
My love just a bit of everything  
I'm going down, yeah  
Oh, I'm going down, yeah  
Gonna stay till the end of the week  
Oh, I'm gonna go I say I'm gonna
