

Shout

Haddaway

Feel the rhythm, deep inside my soul
Feel the rhythm of my love
I want you
Revelation, absolutely stalls
When you're giving it to me
Shout (shout), shout (shout)
Baby if you'd rather moan
Shout (shout), shout (shout)
Baby if you'd rather moan
Stay with me, stay with me
Stay with me, stay with me

In the mirror, you can see my face
You know what you do to me, you make me
Shout (shout), shout (shout)
Baby if you'd rather moan
Shout (shout), shout (shout)
Baby if you'd rather moan
Stay with me, stay with me
Stay with me, stay with me

Stay with me, stay with me
Stay with me, stay with me, yeah

(Yeah, eh eh)...(Yeah, eh eh)
Aahh
Aahh
