

# Yeah

Haddaway

Just beat the drum  
Beat the drum  
Just beat, beat the drum  
Come on

Yeah, Yeah, Yeah  
Just beat, beat the drum

I follow little place that was pumping so loud  
Short pants and the guys were just hanging out  
We made our moves, we beat so proudly  
Now when they storm the place they just came to say

Yeah, Yeah, Yeah  
We gotta go  
Yeah we gotta go, yeah we gotta go  
Yeah, Yeah, Yeah  
We gotta go...

Now choose the colour then we'll do it all night  
No dope, no drugs and we're just feeling fine  
I made my bed always a quarter to six  
I need my sleep cause I'm doing it again

Everybody say  
Yeah, Yeah, Yeah  
We gotta go  
Yeah we gotta go, yeah we gotta go  
Yeah, Yeah, Yeah  
We gotta go  
Yeah

Just beat, beat the drum  
I like it  
Do you like it  
Yeah

My friend is ticking, talking every week  
I need my money and I really would stay  
He doesn't cause our comfortable thing  
Without the money, there's no possible way

Everybody say  
Yeah, Yeah, Yeah  
We gotta go  
Yeah, Yeah, Yeah  
We gotta go  
Yeah

I like it  
Do you like it?  
I like it

Everybody needs somebody

Yeah, Yeah, Yeah  
We gotta go

Yeah, we gotta go; yeah, we gotta go  
Yeah, Yeah, Yeah  
We gotta go  
Yeah

Everybody say  
Yeah, Yeah, Yeah  
We gotta go  
Yeah we gotta go, yeah we gotta go  
Yeah, Yeah, Yeah  
I'm body, you're body  
Yeah-eh  
Yeah, Yeah, Yeah
