

# You're Taking My Heart

Haddaway

You're taking my heart,  
You're taking my soul,  
And you're taking my body  
Girl, I'm losing control.

You're taking my heart,  
You're taking my soul,  
Now you're driving me crazy  
Girl, I'm losing control.

Do you care?

I've been waiting for you so long,  
Never thought our love could ever be real,  
Yeah  
I've been fighting for two and so strong  
Tried to show you, baby, the way how I feel,  
C'mon.

C'mon and lay by my side  
C'mon and let me in,  
C'mon, I touch you inside.

Yeah, Yeah  
I say, I say yeah, put a little love on me.

I've been searching for love all my life,  
Will you tell me how much I mean to you,  
Yeah.  
I've been hurt deep inside, can't be right  
Will you say, bye bye, you'll always be true  
Baby, Baby

Yeah, Yeah  
I say, I say yeah, put a little love on me
