Da da da da da, da da da da da
Da da da da da, da da da da da
Da da da da da, da da da da da
Da da da da da, da da da da da

I know I'm such a busy bee (busy bee)
Always working late, oh baby I'm sorry
I know that you wanna have a baby (baby)
I know you've gotta wait but baby, don't hate me

Still remember the day I saw your face
Was intrigued by every move you made
Always thought about the things you've said
I thank God for knowing you, I must be blessed

I ain't lying, I met other men
But I never let them in my life
You gotta try to understand
I ain't looking for an other man

I know I'm such a busy bee (busy bee)
Always working late, oh baby I'm sorry
I know that you wanna have a baby (baby)
I know you've gotta wait but baby, don't hate me (don't hate me)

Da da da da da, da da da da da
Da da da da da, da da da da da

I'm loving you because you are you (you are you)
I give you my heart, my body and soul
Let's wait a while and we'll have it all (have it all)
If we hurry, baby, we might fall (I would never lie to you)

I ain't lying, I met other men
But I never let them in my life
You gotta try to understand
I ain't looking for an other man

I know I'm such a busy bee (busy bee)
Always working late, oh baby I'm sorry
I know that you wanna have a baby (baby)
I know you've gotta wait but baby, don't hate me

Baby, baby, baby, baby
Da da da da da, da da da da da
Da da da da da, da da da da da
Da da da da da, da da da da da
Da da da da da

I know I'm such a busy bee (busy bee)
Always working late, oh baby I'm sorry
I know that you wanna have a baby (baby)
I know you've gotta wait but baby, don't hate me

Know I love you (know I love you)
