Bring it on

We will play along

We call shots and the beats are rolling on  
when the beats drop you'll get hold of em  
solder them  
and we about to blow  
with a fuck you fuck you ?? a comium

You wanna go son

You wanna go son  
we can bang the drum at your door

You wanna go son  
you wanna go son  
you wanna spar

You wanna go son  
we can bang the drum at your door

Bring it on  
you can bang the drum
