Hospital Thieves

Haemorrhage

Wander corridors seeking out for gore Raptors disguised in medical gowns Sedated inmates are the easiest preys Newborn Infants grimly I take away

Abducting...Sequestering Kidnnaping the patients

Hospital Thieves

Stalking the rooms to plunder the sick Complete bodies, sometimes only limbs Rapid surgery - furtive organs theft Injured patients - slaughtered in their beds

Abducting...Sequestering Kidnnaping the patients

Vile assault to extirpate Maiming the convalescent Torn apart - ripped to shreds Your entrails I appropiate

Blood and bones, mangled flesh Hearts and kidneys I collect Gory swag - loot of entrails Silently I slip away
