

Glide down slow, it's over  
Don't blame the ones that let you down  
Don't hit the ground  
Things only get harder  
The sun just don't care  
Where you go down, down

Eva, leave a light on when you go  
And I need it, I need it when  
I'm the one who's gliding to the floor  
I'm the one who's gliding to the floor

Changing is hard  
Once you get older  
Hiding our teeth  
Won't cry us down  
Don't say you lived  
Don't say that I'm wiser  
I look in your eyes  
And I see mine, mine

Eva, leave a light on when you go  
And I need it, I need it when  
I'm the one who's gliding to the floor  
Eva, evil animal  
Eva lied when you go  
And I need it, I need it when  
I'm the one who's gliding to the floor  
I'm the one who's gliding to the floor  
I'm the one who's gliding to the floor

Leave a light on  
Leave a light on  
Leave a light on  
When you go  
Leave a light on  
Leave a light on  
Leave a light on  
When you go

Leave a light on  
Leave a light on  
Leave a light on  
When you go  
Leave a light on  
Leave a light on  
Leave a light on  
When you go

Leave a light on  
Leave a light on  
Leave a light on  
When you go  
Leave a light on  
Leave a light on  
Leave a light on

When you go
