

## Shivering

HAERTS

Shivering  
Shiver in the morning  
Shivering  
Shiver in night  
Shivering  
Came without a warning  
Shivering  
Running down my spine

You got to let me go...

Shivering  
Nothing that will leave me  
Another day  
Step into the light  
A runaway  
I shiver in my dreaming  
Shivering  
Until you hold me tight

You got to let me go...

(Shivering  
Shiver in the morning  
Shivering  
Shiver in the night)

You got to let me go...

Shivering  
Shiver in the morning  
Shivering  
Shiver in the night

(Shivering  
Shiver in the morning  
Shivering  
Shiver in the night)
