HAERTS

Gone, gone like you've never been  
Now I'm gone in the sky  
In the ways of the wind  
No it's nothing that I ever hold  
But it keeps me going on

Pass by saw your face in the clouds  
Took a heart shaped stone  
To lift my heart from the ground  
No it's nothing that I ever know  
But it keeps me holding on

Give me just a sign  
Heaven make it mine  
God I want to find  
Give me just a sign

I was alone, I was ready to fall  
Found a bluebird's feather  
Heard a bluebird call  
Maybe nothing but a radio song  
But it keeps me going on

And I don't know if I ever find  
But I keep on looking 'til the end of all times  
You'll be here 'til the signs are gone  
And they keep me holding on

Give me just a sign  
Heaven make it mine  
God I want to find  
Give me just a sign

Give me just a sign  
Heaven make it mine  
God I want to find  
Give me just a sign

Lalalalalalalalalalalalalalalalala

Give me just a sign  
Heaven make it mine  
God I want to find  
Give me just a sign

Give me just a sign  
Heaven make it mine  
God I want to find  
Give me just a sign
