HAERTS

Give me a reason why there's things I cannot show  
Give me a reason why it's hard to let it go  
Give me 1000 miles to walk just on my own  
Give me 1000 smiles before I'll be alone

Give me 1000 kisses just so I can feel  
Tell me 1000 times until I know it's real  
Give me all you have I won't take it away  
Give me 1000 words when nothing's left to say

I don't know, I don't know what's special  
I don't know, I don't know about me  
All I want, all I want is go back in time  
Show you all that I could be

Give me 1000 tries I'll change it all for you  
Give me 1000 lies I'll turn into the truth  
Tell me the reasons why there's nothing left to do  
Tell me the reason why I can't look up to you

I don't know, I don't know what's special  
I don't know, I don't know about me  
All I want, all I want is go back in time  
Show you all that I could be

Going back, going back, going back you know  
But if I want to believe it  
That I can go back and try  
What if I wanted to heal it  
What if I needed more time  
And I wanna believe it  
That I can go back and try  
What if I wanted to heal it  
What if I needed more time

Give me 1000 nights we turned each other's backs  
Give me 1000 fights we lost inside our heads  
Go down 1000 miles until you love me deep  
Love me 1000 times until I cannot breathe

I don't know, I don't know what's special  
I don't know, I don't know about me
