

Your Love

HAERTS

Running like a fire
Burning in the wind
You say you'll take me higher
Higher than I've been
It was a feeling
I never wanted leaving

But I couldn't turn into your way
Holding on, you went away
I'm trying to stop the heartache
I try to stay awake
It was a feeling (feeling)
I never wanted leaving (leaving)

I don't want your love
If you can breathe without it
I don't want your love
If you don't dream about it
Don't wanna be the one
No, I won't be the one
If you don't want me to

I don't know the way
The way that you feel about me
I don't wanna stay
If you can be free without me
Don't wanna give it all
Don't wanna give it all
If you can't give it back

I never was a dreamer
Never wanted to pretend
When the night comes I still feel you
And the dreams you never end
And I want you to be with me
And I want you to be free
And I want you to remember
That I don't want you to fall, to fall

I don't want your love
If you can breathe without it
I don't want your love
If you don't dream about it
Don't wanna be the one
No, I won't be the one

I don't want your love (I don't know, I don't know, no)
If you can fight it (oh why, it's falling down)
If you can't give it all (I don't know, I don't know)
Just to try it

I don't want your love
If you can breathe without it
I don't want your love
If you don't dream about it
Don't wanna give it all (don't wanna give it all)
Don't wanna give it all

If you can't give it back

I don't want your love

(I don't want your love)

If you can breath without it

I don't want your love

(I don't want your love)

If you don't dream about it

Don't wanna give it all (don't wanna give it all)

Don't wanna give it all

If you can't give it back

I don't know, I don't know, no

Oh why, it's falling down

I don't know, I don't know, no

Oh why, it's falling down

I don't know, I don't know, no

Oh why, it's falling down

I don't know, I don't know
