

End This (L.O.V.E.)

Hailee Steinfeld

L is for the way you lied to me
O is I'm the only one who sees that
V, you're so vindictive, so I'll be vicious
And E-N-D this L-O-V-E, love (Love)

Every time I think about you, and the roses here in my room
I can't help but really want to tell everybody
How you got away with words, you could put my heart in a hearse
I feel all the twists and turns of your knife in my chest and yet, I-

(Mm) No one's ever messed me up like you did
Thanks to you, babe, now I know what love is

L is for the way you lied to me
O is I'm the only one who sees that
V, you're so vindictive, so I'll be vicious
And E-N-D this L-O-V-E, love (Love)

Love, L-O-V-E-N-D, this love (Ooh)
Love, L-O-V-E-N-D, this love (Ooh)
Love, L-O-V-E-N-D, this love (Ooh)
L-O-V-E, love (Love)

(Love) Every time I'm back at this bar, pour a little salt on my scars
Man, you really pulled me apart, like a toy you'd play with
Boy, you got away with murder, and you took it one step further
Still feel all the twists and the turns of the ride in my mind that you took me on (Ah)

(Mm) No one's ever messed me up like you did
Thanks to you, babe, now I know what love is

L is for the way you lied to me
O is I'm the only one who sees that
V, you're so vindictive, so I'll be vicious
And E-N-D this L-O-V-E, love (Love)

Love, L-O-V-E-N-D, this love (Ooh)
Love, L-O-V-E-N-D, this love (Ooh)
Love, L-O-V-E-N-D, this love (Ooh)
L-O-V-E, love (Love)

L is for the way you lied to me
O is I'm the only one who sees that
V, you're so vindictive, so I'll be vicious
And E-N-D this L-O-V-E, love (Love)
