

## She Is

Hal Ketchum

she is  
the silver voice of water falling  
she is the sun

she is  
the golden light that lies beside me  
when the day is done

everytime I fall  
she just smiles that's all

she is  
everything to me

she is  
the reason god made moonlit gardens  
she is my friend

she is  
the only reason I come running  
time and again

everytime I fall  
she just smiles that's all

she is  
everything to me

sands of time they tumble into the sea  
but I don't care as long as she's loving me

she is  
everything to me

everytime I fall  
she just smiles that's all

she is  
everything to me

everything to me

everything to me
