

Daylight

Hale

Let everything go but never forget
You live and you learn
But always live
The sun shining whenever you're cold
Never too young, but as we grow older

Wiser as we go
Say it ain't so
Don't ever let me go

If the pieces don't fit don't throw 'em all away
Your sides and your riches, might need them some day
The questions we ask, the answers we seek
We'll never be found, the louder we speak

As steady as we go
Say it ain't so
Don't ever let me go
Don't ever let me go
Oh-oh-oh, oh-oh-oh-oh

You're dancing through the night
Oh-oh-oh, oh-oh
Shining to the light
Together as we go
Say it ain't so
Don't ever let me go
Don't ever let me go
Oh-oh-oh, oh-oh-oh-oh
Oh-oh

Dancing through the night
Oh-oh-oh, oh-oh
Shining to the light
Together as we go
Say it ain't so
I'll never let you go
I'll never let you go

The questions we ask, the answers we seek
Will never be found the louder we speak
