

# Black Vultures

Halestorm

Black vultures circling the  
Black vultures circling the  
Black vultures circling the  
Black vultures circling the sky

Feels like the end of the world  
But it's only the beginning of it all  
Forget the things that you've heard  
Been a survivor since I began to crawl

I'm falling down but I'm not out  
The devils at my door

I don't give in I don't give up  
I won't ever let it break me  
I'm on fire I'm a fighter  
I'll forever be the last one standing  
Black vultures circling the sky  
Pick at the pieces  
Scavengers wait for me to die  
But I'm not defeated

I'm on the edge of the war  
I'm holding on and hanging by a thread  
I am the eye of the storm  
And you haven't seen the last of me just yet

I'm falling down but I'm not out  
I'm coming back for more

I don't give in I don't give up  
I won't ever let it break me  
I'm on fire I'm a fighter  
I'll forever be the last one standing  
Black vultures circling the sky  
Pick at the pieces  
Scavengers wait for me to die  
But I'm not defeated

It's not my time  
I'm still alive  
Open up your eyes  
I am still alive

I don't give in I don't give up  
I won't ever let it break me  
I'm on fire I'm a fighter  
I'll forever be the last one  
Black vultures circling the sky  
Pick at the pieces  
Scavengers wait for me to die  
But I'm not defeated

Black vultures circling the sky  
You all can wait for me to die

Black vultures circling the

Black vultures circling the  
Black vultures circling the  
Black vultures circling the sky
