Bombshell

Halestorm

Yeah

Be a good girl, play along
Wear your short skirt, sing your song

And zip it up, zip it up
'Cause we don't like when you speak up, you speak up
Just bite your tongue and give it up, give it up
Well, I got news for all of you fools

You better suck it up, suck it up
You're never gonna shut me up, shut me up
Baby, I'm a bombshell (Bombshell)
I'll light you up like a bombshell (Bombshell)

Girl behave and know your place
Paint a smile upon your face

And zip it up, zip it up
'Cause we don't like it when you're tough, when you're tough
Just shut your mouth and give it up, give it up
Well, I got plans for all of you men

You better suck it up, suck it up
You're never gonna shut me up, shut me up
Baby, I'm a bombshell (Bombshell)
I'll light you up like a bombshell (Bombshell)

I'm never gonna zip it up, zip it up
So go ahead and lick it up, lick it up
Baby, I'm a bombshell (Bombshell)
I go off like a bombshell (Bombshell)

She's not fragile like a flower
She is fragile like a bomb

You better suck it up, suck it up
You're never gonna shut me up, shut me up
Baby, I'm a bombshell (Bombshell)
I'll light you up like a bombshell (Bombshell)

I'm never gonna zip it up, zip it up
So go ahead and lick it up, lick it up
Baby, I'm a bombshell (Bombshell)
I go off like a bombshell

Ah
Oh, oh, oh
Baby, I'm a bombshell
I go off like a bombshell
