Halestorm

Na-na-na-na-na  
Na-na-na-na-na

We came to battle baby  
We came to win the war  
We won't surrender  
Till we get what we're lookin for  
We're blowing out our speakers  
There goes the neighbourhood  
A little scissor happy  
Little misunderstood

We can turn you on  
Or we will turn on you

Daughters of darkness  
Sisters insane  
A little evil  
Goes a long, long way  
We stand together  
No we're not afraid  
We'll live forever  
Daughters of darkness  
Daughters of darkness

Na-na-na-na-na  
Na-na-na-na-na  
Daughters of darkness  
Na-na-na-na-na  
Na-na-na-na-na

We're all survivors somehow  
We just broke out the pack  
And I don't need no dogtag  
My name is on my back

We can turn you on  
Or we can turn on you

Daughters of darkness  
Sisters insane  
A little evil  
Goes a long, long way  
We stand together  
No we're not afraid  
We'll live forever  
Daughters of darkness  
Daughters of darkness

Na-na-na-na-na  
Na-na-na-na-na  
Daughters of darkness  
Na-na-na-na-na  
Na-na-na-na-na

Never down  
Never out

Playing hard  
Living loud  
Keeping up  
With the boys  
Making out  
Making noise

And you better get me home  
Before the sun comes up...up...up

Daughters of darkness  
Sisters insane  
A little evil goes a long, long way  
We stand together  
No we're not afraid  
We'll live forever  
Daughters of darkness  
Daughters of darkness  
Na-na-na-na-na  
Na-na-na-na-na  
Daughters of darkness  
Na-na-na-na-na  
Na-na-na-na-na  
We're the daughters of darkness  
Na-na-na-na-na  
Na-na-na-na-na
