

Don't Know How To Stop

Halestorm

Head lights, red lights, got it in my sights
Nothings in my way, No sound, hush now
Push the pedal down, got no time to waste
It's a long way home, You just crossed a borderline
When I say go, You know you better hold on tight

I don't know how to stop, I give it all I've got
It's like my brakes are shot, I gotta have too much
I don't know how to stop, Gets crazy but so what
You know it's what you want so give it up
And Don't be scared of how good it feels

One speed, full speed that is all I need
They can eat my dust, hell yeah, rock on
Will you come along, Do I have your trust?
It's a long way down, If you're getting this high
When I say now, you had better hold on tight
NOW!

I don't know how to stop, I give it all I've got
It's like my brakes are shot, I gotta have too much
I don't know how to stop, Gets crazy but so what
You know it's what you want so give it up
And Don't be scared of how good it feels
Tell me how good it feels, You know you don't want me to
(I don't know how to stop)

And now that I'm here with you (I Don't know how to stop)
Here's what were gonna do (I don't know how to stop)
You know you don't want me to yeah!
(I don't know how to stop) How good it feels, tell me how good
it feels
Don't be scared, scared, scared, Scared of how good it feels

I don't know how to stop, I give it all I've got
It's like my brakes are shot, I gotta have too much
I don't know how to stop, Gets crazy but so what
You know it's what you want so give it up
And Don't be scared of how good it feels
Tell me how good it feels, I don't know how to stop...
How good it feels.
I don't know how to stop (3x)
