

Drunk Pretty

Halestorm

Woke up looking like a walk of shame
Pillow case covered in red lip stain
Bottom of the barrel beauty queen
Caught like a cat, caught like a cat
Caught like a cat in a fishnet dream

Hungover and underdressed
You love the way that I'm unimpressed
I'm a Perfect 10, but I'm coming down
You're seeing double cuz I'm a knockout

Drunk pretty
A touch too much
Drunk pretty
Such a lovely lush
Drunk pretty
Don't you wish you were mine
Never looked so fine

Don't ask me to walk a straight line
The morning after is when I shine
Crooked smile with a quick dial
Run like mascara, but I do it in style
(But I do it in style)

Hungover and underdressed
You love the way I'm unimpressed
I'm a Perfect 10, but I'm coming down
You're seeing double cuz I'm a knockout

Drunk pretty
A touch too much
Drunk pretty
Such a lovely lush
Drunk pretty
Don't you wish you were mine
Never looked so

Fine, fine, fine
Fine, fine, fine
Fine, fine, fine
Fine, fine, fine

Drunk pretty
A touch too much
Drunk pretty
Such a lovely lush
Drunk pretty
Don't you wish you were mine
Drunk pretty
Never looked so fine

Drunk pretty
A touch too much
Drunk pretty
Such a lovely lush
Drunk pretty

Don't you wish you were mine
Never looked so
Fine, fine
Fine, fine
Fine, fine
Fine, fine
Fine...
