All my friends are heathens. Take it slow Wait for them to ask you who you know Please don't make any sudden moves You don't know the half of the abuse

All my friends are heathens. Take it slow Wait for them to ask you who you know Please don't make any sudden moves You don't know the half of the abuse

Welcome to the room of people
Who have rooms of people that they loved one day
Docked away
Just because we check the guns at the door
Doesn't mean our brains will change from hand grenades

You'll never know the psychopath sitting next to you You'll never know the murderer sitting next to you You'll think, "How'd I get here, sitting next to you?" But after all I've said Please don't forget

All my friends are heathens. Take it slow Wait for them to ask you who you know Please don't make any sudden moves You don't know the half of the abuse

We don't deal with outsiders very well They say newcomers have a certain smell You have trust issues, not to mention They say they can smell your intentions

You'll never know the freakshow sitting next to you You'll have some weird people sitting next to you You'll think, "How'd I get here, sitting next to you?" But after all I've said Please don't forget (Watch it, watch it)

All my friends are heathens. Take it slow Wait for them to ask you who you know Please don't make any sudden moves You don't know the half of the abuse

All my friends are heathens. Take it slow (Watch it)
Wait for them to ask you who you know (Watch it)
Please, all my friends are heathens. Take it slow (Watch it)
Wait for them to ask you who you know

Why'd you come? You knew you should have stayed (It's blasphemy)
I tried to warn you just to stay away (Away)
And now they're outside ready to bust

(To bust)
It looks like you might be one of us
