

# I Come First

Halestorm

I'm not your servant, I'm not your slave  
I may be good at trouble but I'm not yours to change  
One hand on the bed, one behind my back  
Think you're in but not so fast  
You get what you give, so give it to me, wait your turn

'Cause I come first  
Yeah, I'm worth it  
Yeah, I'm worth it  
I come first  
Go on and work it  
Go on and work it

Play with fire, get burned  
Tell you when it's your turn  
You don't get to break the rules  
The truth hurts  
But I'm worth it  
Yeah, I'm worth it  
I come first

I'm not your victim, I'm not your prey  
I may be good at bad things but I'm not yours to shame  
You're never gonna get it with the games you play  
A little respect goes a long, long way  
I'm gonna make you wait like you made me, so how does it taste?

'Cause I come first  
Yeah, I'm worth it  
Yeah, I'm worth it  
I come first  
Go on and work it  
Go on and work it

Play with fire, get burned  
Tell you when it's your turn  
You don't get to break the rules  
The truth hurts  
But I'm worth it  
Yeah, I'm worth it  
I come first

Don't do me like that, don't do me like that  
(Do me like that, do me like that)  
Don't do me like that, don't do me like that  
(Do me like that, do me like that)  
Don't do me like that, do me like that

I'm not your servant, I'm not your slave

'Cause I come first  
Yeah, I'm worth it  
Yeah, I'm worth it  
I come first  
Go on and work it  
Go on and work it

Play with fire, get burned  
Tell you when it's your turn  
You don't get to break the rules  
The truth hurts  
But I'm worth it  
Yeah, I'm worth it  
I come first

Do me like that, don't do me like that  
Do me like that, don't do me like that  
Do me like that, don't do me like that (I come first)  
Do me like that, don't do me like that (I come first)

Yeah, I'm worth it  
Yeah, I'm worth it  
I know I'm worth it  
I come first
